## July 2017 Determination: ***Not Accredited***

---

A visit was paid to All Saints University's campuses and clinical affiliates in Dominica and St Vincent & the Grenadines, from June 4-6 and June 8-9, 2017, respectively. This was the first CAAM-HP accreditation exercise for All Saints.

The CAAM-HP at its meeting held July 21-22, 2017 considered and accepted the site visit report of the *ad hoc* assessment team comprising:

1. Professor Joseph Michael Branday (Team Chair)
2. Dr Ronald A. Aaron (Team Secretary)
3. Dr Elaine Williams

**Decision:** Having reviewed the site visit reports for All Saints University School of Medicine, Dominica and All Saints University College of Medicine, St Vincent & the Grenadines, the Authority took the decision that All Saints should be assessed as one medical school with two (2) campuses.

The Authority noted the strengths of the programme in some areas. However, given the areas of concern, the Authority decided that it was unable to accredit the programme at that time.
