---

### **February 2020 Update: *Voluntarily Withdrawn***

---

Xavier University School of Medicine, Aruba, advised by letter dated February 27, 2020, that the school was withdrawing from the CAAM-HP accreditation process.

---

### **July 2019 Update**

---

The 2019 Progress Report from Xavier University School of Medicine was presented to the CAAM-HP at its meeting held July 25-27, 2019. The Authority considered and accepted the report but expressed concern about the mandatory requirement for students to complete their research elective at Blumberg Institute in the United States, rather than at a hospital.

There was also concern about the supervision of the clinical programme and clarification of the financial situation was requested.

The requirement to submit annual progress reports remains.

## July 2017 Update

---

The 2017 progress report was presented to the CAAM-HP at its meeting held July 20-22, 2017. The Authority considered and accepted the progress report noting the improvements being made, but emphasized the need for supporting documentation.

The Authority noted that the next full site visit is due in 2018.

---

## July 2016 Determination: *Provisional Accreditation extended, 2016-2018*

---

This was the second full accreditation exercise for Xavier University School of Medicine. The visit took place October 11-17, 2015 and involved a visit to the main campus in Aruba and clinical affiliates in the US. The site visit team members were:

5. Professor Christopher Stephens (Team Chair)
6. Professor Jonas Innies Addae (Team Secretary)
7. Professor Minerva Thame

The CAAM-HP at its meeting held July 27-29, 2016 considered and accepted the site visit report of the *ad hoc* site visit team.

**Decision:** In the light of the issues cited in the report, the Authority decided to extend Provisional Accreditation for another two (2) years from 2016-2018.

CAAM-HP looks forward to receiving the annual progress reports indicating efforts being made to address issues cited in the site visit report and in its letter. Failure to comply would result in a redetermination of accreditation status
