

## **American International Medical University, St Lucia** ***Accreditation Denied***

---

### **July 2018 Determination: *Accreditation Denied***

---

This was the first full accreditation visit for American International Medical University (AIMU). This is an offshore medical school with its main campus on the island of St Lucia. The site visit took place March 16-23, 2018 and involved a survey of the basic science campus in St Lucia and clinical affiliates in Kingston, Jamaica and Chicago, Illinois. The site visit team members were:

1. Professor Valerie Wass (Team Chair)
2. Professor Sharon Peters (Team Secretary)
3. Professor Jonas Addae

The CAAM-HP at its meeting held July 29-31, 2018 considered and accepted the site visit report of the *ad hoc* site visit team.

**Decision:** The Authority, having considered the site visit report, decided that it was unable to accredit the programme at that time.

**AIMU has indicated its intention to appeal the decision.**
